

# Sumit Singh

Undergraduate Student

Hanumangarh Town,  
Rajasthan  
**+918094543358**  
**thesumitsinghofficial@gmail.com**

## EXPERIENCE

### **SITE Hackaton, Jaipur — *Participant***

March 2024

This AI project tracks the poses of exercises and keeps the count of proper repetitions for an effective workout session.

### **Python and Artificial Intelligence — *Dev Town (GDSC)***

October 2023

In this bootcamp, I came to learn about various technologies used in Artificial Intelligence such as Numpy, Neural Networks and Many More. Also Implemented the above mentioned technologies by making a "Tic Tac Toe" project.

### **Google Cloud Study Jam 2023 — *M.B.M. University (GDSC)***

October 2023

Knowledge of VM Instances, Cloud Storage Bucket, Gen A.I., Kubernetes (Basic).

## EDUCATION

### **M.B.M. University, Jodhpur — *B.E.***

September 2023 - Present

Currently Pursuing B.E. in Artificial Intelligence and Data Science.

### **B.T.T.I. , Pilani — *Polytechnic Diploma***

August 2020 - June 2023

Attained remarkable academic success, graduating with First Honors from BTER with a stellar CGPA of 9.54 in Computer Science Branch.

### **Uttam Public School , Hanumangarh Town — *10th***

June 2019 - June 2020

Attained a commendable percentage of 66.6 in 10th-grade examinations.

## PROJECTS

### **A.I. Personal Trainer**

Innovative AI-powered home fitness solution. Real-time guidance, personalized routines. Accessible, convenient workouts anytime, anywhere. Revolutionizing fitness for busy lifestyles.

## SKILLS

Computer Skills

Hardworking

Teamwork

Fast Learner

## CERTIFICATES

**Python and Artificial Intelligence By Dev Town (GDSC)**

**Data Structures and Algorithms using C++ By Dev Town (GDSC)**

**Google Cloud Study Jam 2023 By M.B.M. University (GDSC)**

**Prompt Engineering By Lets Upgrade**

## PROGRAMMING LANGUAGES

C

C++

Python

## COURSES

**Python and Artificial Intelligence By Dev Town (GDSC)**

**Data Structures and Algorithms using C++ By Dev Town (GDSC)**

**Google Cloud Study Jam 2023 By M.B.M. University (GDSC)**

**Prompt Engineering By Lets Upgrade**
